Dues submitted will maintain your active membership for the 2007/2008 Membership Year: September 1, 2007 through September 1, 2008. **"Member Since" field must be completed (submit the year only) for the WDI records to accurately track your membership toward Lifetime Member status.

2007 - 2008 Membership Designations and Associated Fees

Standard Memberships

- **Lifetime Member (no dues):** Applies to members who have had 25 consecutive years of membership. It's important to note that consecutive years of membership are required. If you have years of non-renewal, they will not count toward the full 25 consecutive year requirement. For example, if you've been a member for five consecutive years and choose not to renew further, then you re-join again in future, within the membership records, you would start back over at one year of membership. In this scenario, due to the period of non-renewal, the first five years are negated in the count toward Lifetime Member status.

In order to be eligible for Lifetime Member status, you **must** complete the portion of your membership form titled "Member Since." Within this field, you must list the first year of consecutive membership. Should you neglect to provide this information, your tracking toward Lifetime Member status will be skewed. If this field is blank on your submitted membership form, you will automatically be noted within the records as a new member per that particular membership year.

Lifetime members pay no dues and receive special notation within the directory. ☆

- **Individual Membership (\$20.00):** Applies to individuals who become members of Wheaton Drama, Inc.
- **Couple Membership (\$30.00):** Applies to couples who become members of Wheaton Drama, Inc. Should the two individuals within the Couple Membership have different last names, both individuals will be listed twice within the membership directory – once under each last name. Couple Memberships receive only one Directory and one monthly Tyro.
- **Family Membership (\$35.00):** Applies to families who become members of Wheaton Drama, Inc. All children included in a family membership must be under the age of 18. If children are 18 years of age or beyond, they should submit an application for membership individually.

If there are two primary individuals within the Family Membership and they have different last names, both individuals will be listed twice within the membership directory – once under each last name. Family Memberships receive only one Directory and one monthly Tyro.

Upgraded Memberships

- **Sustaining Membership (\$60.00):** Any membership – Lifetime, Individual, Couple or Family – can be upgraded to a Sustaining Membership. The only difference between these upgraded memberships and the standard memberships is the contribution level. Sustaining Members receive special notation within the directory. ▲
- **Supporting Membership (\$120):** Any membership – Lifetime, Individual, Couple or Family – can be upgraded to a Supporting Membership. The only difference between these upgraded memberships and the standard memberships is the contribution level. Supporting Members receive special notation within the directory. □
